

'Bloomer Girl' Rehearsals Start Tonight

Orchestra rehearsals for "Bloomer Girl," the next production of the South Bay Civic Light Opera Association will begin Thursday, July 2, at 7:30 p.m., at Redondo Union High School auditorium, Director Mel Tully announced yesterday.

There are still openings for more instruments in the group, he said. "We especially need a bassoonist, first and second violinists, and a viola-ist."

"Bloomer Girl," a modern musical with old-fashioned charm, is a colorful show, with over 30 parts open to young men and women. Tully continued. Casting for the show, written by Harold Arlen with lyrics by E. Y. Harburg, will begin tentatively in July.

The Association sponsoring the musical is composed of over 100 active members, including young people from throughout the South Bay area. Over 30 Torrance residents play an active role in its productions.

Anyone interested is invited to join the fast-growing group, Tully said. Further information concerning orchestra and singing roles may be obtained by calling him at FRontier 4-3700. Needed also are a number of behind-the-scene workers including stage hands, prop men, and personnel to operate spot lights.

Vet Needs 90-Days Duty To Get State Home Loan

A California veteran who buys a home or a farm with a state loan must now have been in the armed forces for at least 90 days.

The new restriction was noted last week by Veterans Affairs Director D. J. Callaghan Jr. in Sacramento.

The requirement was in a bill passed during the recent legislative session and signed by Gov. Warren.
